

# MONTEREY COUNTY LOCALS PROGRAM VALIDATION STICKER

## WHAT HAS CHANGED?

The City of Monterey has installed new automated parking technology in the Waterfront Parking Lot.

The Monterey County Locals Program, which offers up to two hours free parking to Monterey County Residents Monday - Thursday, is now available through a validation sticker. A validation sticker can be conveniently obtained when visiting your favorite Wharf merchant.

## HOW DOES IT WORK?

Simple as 1, 2, 3...

1. Pull a parking ticket to enter the gated Waterfront Lot.

2. Take the parking ticket with you to your favorite Wharf merchant along with your local ID to receive a two hour validation sticker to apply to your ticket.

3. Take the ticket with the sticker attached to any one of the four pay stations located in the lot and automatically receive up to 2 hours free parking.
