We hope you will consider a valuable sponsorship of Whalefest Monterey 2024. Your sponsorship supports our full program of events designed to uniquely inspire, educate and empower the public to protect our Monterey Bay.

The FREE 14th Annual Whalefest Monterey will be held on Saturday and Sunday, April 13 and 14, 2024 **from 11:00 a.m. to 5:00 p.m. each day** on and around Old Fisherman's Wharf and Custom House Plaza with interactive exhibits and much more. For the 2024 event, we plan have exhibits on Saturday and the Symposium with world-renowned marine experts on Sunday. Past Symposium presentations can be viewed on our YouTube channel. Go to Whalefest.org to find the link. Music, art demonstrations, history walks and more will take place on both days.

We attract approximately 10,000 people over the two-day period including local, national and some international visitors. This free, fun and educational interactive family event for all ages and all educational levels celebrates the biodiversity of the Monterey Bay National Marine Sanctuary and much more! As a sponsor of Whalefest Monterey, you will support broad and deep participation by individuals, agencies, institutions, organizations, and businesses who work throughout the year to protect, encourage, and sustain the health of the Monterey Bay National Marine Sanctuary.

We have provided our full sponsorship opportunities for your consideration and look forward to talking with you in more detail about this important community event.

Best regards,

Wendy Brickman, Whalefest Monterey
