

FISH TALES ON OLD FISHERMAN'S WHARF

Monterey's Fisherman's Wharf Association's Wharf Walk, in association, with noted Monterey Bay Fisheries

Historian and author, Tim Thomas, continues on October 6th. The monthly "Wharf Walks — Walking Tours at Monterey's Old Fisherman's Wharf" (www.montereywharf.com) are held the first Saturday of every month from 10:00 AM – Noon starting at the head of the Wharf.

This upcoming Wharf Walk on October 6th is a fun "Cephalopod" outing for both locals and visitors. First, learn from the fascinating 2-hour walking tour with historian Tim Thomas... and then perhaps sit down and enjoy some delicious seafood at one of the Wharf restaurants.
