On the wharf

The restaurants and stores on Fisherman's Wharf will celebrate with a Calamari & Cocktail Crawl from 5:30 to 8:30 p.m. "Restaurants will be serving a variety of delicious calamari and specialty cocktails for the St. Patrick's Day holiday," said publicist Wendy Brickman. "You might even find some green beer."

Bagpiper Michel d'Avenas will play on the wharf and visit restaurants from 6 to 7 p.m. The whole place will be decked out in holiday green, Carousel Candies will have green saltwater taffy, of course, and locals can park for free for two hours in the nearby lot. See montereywharf.com for more details.
