### About the History of Gingerbread

Baking a recipe full of spice would remind our early American settlers of their homeland. As years passed, the recipes like gingerbread that passed down through generations were always baked for holidays, mostly Christmas.

The popularity of gingerbread during the holidays can also be attributed to the belief that spices heated you up in the winter! Queen Elizabeth I's retinue also included a royal gingerbread maker and she did a banquet where she had gingerbread men made to represent foreign dignitaries and people in her court.
