Whalefest fundraiser

Chef Tene Shake will demonstrate how to make cioppino during a “virtual fundraiser” for the annual Whalefest Monterey, which usually takes place in January. The online cooking demo will begin at 5 p.m. Aug. 13, with Shake showing “the secrets and shortcuts of making fabulous classic Fisherman’s Wharf’s cioppino and more with sustainable seafood.” The demonstration will be streamed on Facebook but can also be found after the fact at montereywharf.com. Donors will receive the recipes.
