

# Squid fishing on the Monterey Bay walking tour

In recent weeks, many of us have enjoyed delicious calamari, prepared by restaurants on Monterey's Old Fisherman's Wharf. You may have seen the lighted boats all over the Monterey Bay at night. Squid fishing is the theme of the upcoming Wharf Walk on July 7th. This will be a fun "Cephalopod" outing for both locals and visitors.

First, the fascinating 2 hour walking tour with historian Tim Thomas...and then perhaps enjoying delicious calamari dishes available at Wharf restaurants! The Wharf is a wonderful place to have lunch — al fresco or indoors — with a beautiful view of the Monterey Bay.

The huge amount of calamari that has been

sold and consumed in Monterey restaurants over the years is astronomical!

Walks are held the first Saturday of every month from 10:00 AM – Noon, starting at the head of the Wharf.

The topic for the Wharf Walk on Saturday, July 7 is "Squid Fishing in the Monterey Bay." Advance reservations are required by calling Tim Thomas at (831) 521-3304 or via email [timsardine@yahoo.com](mailto:timsardine@yahoo.com).

The tour is for ages 10-adult only and the cost is \$20 for adults and kids are \$15 (10-15 years). Group Rates are also available. Fisherman's Wharf Association's Wharf Walks are held the first Saturday of every month from 10:00 AM
