Locals celebrate Easter on the Central Coast

MONTEREY, Calif. —March 30, 2013

Several pre-Easter celebrations got underway around the Central Coast on Saturday.

The Cypress Community Church held its Easter Festival just off Highway 68 in Monterey. The church hosted an Easter egg hunt, pony rides, Easter-themed arts and crafts, jump houses and refreshments.

Over on Monterey's Fisherman's Wharf, children took part in the annual Easter Scavenger Hunt. Participants had to find the answers from questions at merchants along the Wharf in order to get a prize.

The Easter Bunny was on hand to hand out candy made locally. The Easter Bunny also made his way to the Del Monte Shopping Center, where a crowd followed him through the mall before he settled in for the rest of the day in the bunny hut.

Children lined up to get a photo with the bunny.
